Sounds good. I will be up on Monday evening for the city council meeting, and traveling home early Thursday morning. I will bring work with me to work in the hotel room on Tuesday.

Gunnar,
Mike is in training all day, but I spoke briefly with him today about his schedule for both CFAC and Libby for next week. He would like for you to attend the city council meeting on Monday April 17th at 7 pm, if you are available. At the current time there are no meeting schedule on Tuesday.
On Wednesday there will be a site tour for you and Brian along with the public meeting that evening. He would like for you to attend the public meeting and travel offsite on Thursday.
If you can't swing both meetings Mike prefers you to be at the site visit and public meeting on Wednesday.

Mike: I hope I covered everything we talked about!

Thank you,

Damon L. Repine, CSP

Hi Mike:

Just checking in to see about next week's schedule and calendar of events. You had also mentioned a site tour, and Brian was looking at his schedule for coming up. Any update?

Also, any questions about the DSR/SLERA comments? Do you need any help from us for the public meeting on the 19th?

Please let me know. I am in a meeting today from 1-4, otherwise, my calendar looks fairly open this week.

Thanks,
Gunnar

Hi All,

I just talked with Susan Nicosia and she has added us to the April 17th City Council Meeting. We are on for a 20 minute update to the City Council.

It also looks like the 19th will work for the Public Meeting. Please share if I missed anyone.

We can work on the details later.

Thanks,
Mike
